Good Afternoon Steve,

We held our 47th Ward School Supply Drive from July 29th to August 19th. The supplies collected (donors, items and approximate values detailed on attached list) were split evenly and donated to Ravenswood Community Services (4550 N. July 29th – August 19th

Collection for local families in need through partnership with the Common Pantry and Ravenswood Community Services.

For Chicago's kids, school is right around the corner. Purchasing all the supplies requested can cost a family \$50 or more. For many families this amount is unaffordable; especially if there is more than one child in the family. With more need than ever before, families in our community need your help so hundreds of children can be equipped for success this school year.
